Purely Business!

We Knew We Had a Good Thing in the Stock of Goods

We bought by electric light a few days since. There is so much clap-trap Clothing advertisements in vogue just now that we refrained from saying very much about the purchase. We simply called the public's attention to it by telling them to look at the display of these goods in our windows and note the prices on them. We knew we would sell some of them. The warm weather left a doubt as to selling a great many now. The doubt is dispelled. Since the day we opened this purchase and placed them in our windows our store has been crowded with the simple standard of bargains. Last Saturday about 1,000 good Republicans, with their wives, daughters and sweetheasts, assembled in the yard survounding the beautiful home of D. D. Mr. Dearing for over an hour and a half dealt with the issues of the day is such a clear, lucid style that the wayfaring man, though a fool, could see that it is to the best interests of all that each and every voter whould support the Republican ticket next Tuesday. His speech abounded with wife, deep thought, clear reason and unbounded batriotism, and the subsulam of the vast andience, it is safe to predict that Lewis county will give to him and his running mate, Mr. Danna, a majority of 900 or 800 perhaps 1,000.
